To Whom It May Concern:

It's my absolute pleasure to recommend Jenna Fettig for a Special Educator teaching position with the Hawaii Department of Education. Jenna Fettig and I have worked together at Wheeler Middle School for the last three years. At first, she was a substitute teacher, and now is on my team as a 7th grade teacher. I serve as the 7th grade-level mentor.

I thoroughly enjoy my time working with Jenna and have come to know her as a truly valuable asset to every team she is a part. She is honest, dependable, and incredibly hard-working. Beyond that, she is an impressive educator who always puts her students first. She works tirelessly to ensure her students receive the proper services and accommodations.

Her knowledge of the 7th-grade curriculum and expertise in special education is a huge advantage to our entire team. She puts this skillset to work in order to help further her student's education.

I confidently recommend Jenna to join your school. As a dedicated and knowledgeable employee and an all-around great person, I know that she will be a beneficial addition to your organization. Please feel free to contact me at ltanner@wheelermiddle.k12.hi.us should you like to discuss Jenna's qualifications and experience further. I'd be happy to expand on my recommendation.

Best wishes,
